## **SCALLOPS:**

# **A New England Coastal Cookbook**

By Elaine and Karin Tammi

“You have done a wonderful bit of research and it should be known.”

—Julia Child

“Tantalizing tidbits for the mind and mouth. This compilation of recipes is an enjoyable blend of culinary creations and scientific research, which traces the voyage of the scallop from spat to table.”

—Linda Despres, fishery biologist

“A thoroughly researched resource on all aspects of this delectable mollusk, the book includes shellfish lore and information about keeping scallop harvesting sustainable.”

—*Cape Cod Magazine*

“Offers recipes for starters and entrees that will make your mouth water.”

—*Key West Citizen*

“No ordinary kitchen guide.”

—*Cape Cod Times*

“Handsome color photography.”

—*New Bedford Standard-Times*

“The many voices of expert contributors in every scallop-related field makes for an interesting story, but the dozens of great recipes make for the most wonderful eating of one of our tastiest local seafood products.”

—[southcoasttoday.com](http://southcoasttoday.com)

“Melds some killer local scallop recipes with interviews from Nantucket scientists, world-renowned chefs, shuckers, and sea scallopers. A unique inside scoop.”
